**WORLD BREASTFEEDING
TRENDS INITIATIVE**

**World Breastfeeding Trends Initiative(
WBTi), Online Training Session for
Europe
OBJECTIVES**

SESSION-1 Day 1
Dr Arun Gupta

Objectives of WBTi

- To provide critical information to governments, needed to bridge gaps in policy and programmes in order to increase rates of breastfeeding and infant and young child feeding practices and to use the WBTi tools to galvanise action at country level.
- To maintain a global data repository of information on policies in programmes related to breastfeeding and IYCF.

Objectives of the Online Training

- To introduce the assessment tools and process
- To help participants understand how to conduct national assessment
